

SCHOOL GAMES AND EXTRA-CURRICULAR ACTIVITIES 2016 – 2017

Pupils at the Academy have the opportunity to participate in a wide range of extra-curricular activities. Through these they develop interests, enjoy themselves and make new friends.

Pupils learn how to work effectively with others, and, in many cases, as they grow older they also develop self-discipline and discover the value of commitment and perseverance. Whether challenging and competitive or purely recreational, the activities available at the Academy are the source of some of the happiest memories which pupils retain of their time at school.

Updates appear on the website and through our twitter and Facebook pages. Queries regarding any activity should be directed to the named member of staff, or to the appropriate Class Tutor or Head of Year.
